

Utah Department of Veterans and Military Affairs
Compatible Land Use Surrounding Military Lands:
Municipality/County Notification

This form must be completed and submitted to the Utah Department of Veterans and Military Affairs (UDVMA) by municipalities and counties when they receive a land use change application pertaining to land parcels located within 5000 feet of military installations. It serves as the initial notification to UDVMA, kickstarting the determination process, and ensuring that all relevant parties are informed and engaged. Upon receipt, UDVMA will form a working group with municipal, military, and stakeholder representatives to assess compatibility, referencing the compatible use plan, and may seek input from other agencies or experts as needed for a comprehensive determination.
